

Letter Lighthouse

The object of this game is to see how many different words you can make from the letters in the word LIGHTHOUSE.

Start at the bottom of the lighthouse with your first word. Fill up each space with a different word until you reach the top of the tower. Score **five points** for every word you make with four letters or less. If you make a word with more than four letters score **ten points**. Add up your points at the end.

You could play this game with your friends or family and compete to see who can get the highest score.
