# Word Stream

Below is a list of words. Can you fit them into the correct spaces in the meandering stream? Each word begins with the last letter of the word you entered before. A few letters have been placed already to get you started.

When you have entered all the words correctly the letters which appear in the highlighted boxes will spell out the name of a famous river in the North East of England region. Can you unscramble them to work out what it is?

**3 letters**
ROW
EBB

**4 letters**
SHIP

**5 letters**
RIVER
WATER
REEDS

**6 letters**
STREAM
PADDLE
BRIDGE

**7 letters**
MEANDER
ESTUARY
